## About Me

I am a 5th-semester student with a deep passion for front-end development, UI/UX design, and a strong entrepreneurial spirit. My goal is to create impactful solutions that not only drive business success but also contribute positively to the environment. With a focus on building intuitive, user-friendly interfaces, I aim to enhance user experiences while delivering innovative solutions that align with sustainability.

Driven by a creative mindset and a commitment to continuous learning, I am always exploring new ways to integrate my skills in technology and entrepreneurship. I thrive on challenges that push me to grow both personally and professionally, and I am dedicated to making a meaningful impact through my work.
